**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would like you to let you know that broadband competition is very important to myself. If we have no competition, we don't have a way to protect consumers from artificial rise in prices. I chose Sonic because they will provide excellent service at a competitive price without bundling features that I do not want.

Please make sure to keep in mind that the consolidation of the Telecom industry has happened before then it was broken up. Why not learn from that mistake?

Please keep competition strong to protect the consumer.
